The Presidential Blog

We are now more than halfway through the year and in the midst of a very active summer for our club. We have had two great outdoor meetings and Glenn provided some great pizza for both. Thanks to all who attended.

The turnout for the Monroeville parade was great. We had over 20 cars in a big parade that had over 125 units. Again I want to thank everyone who participated.

The trip to the Bayernhof Museum and lunch was another super event. It was amazing to see what one man in Pittsburgh did with his dream and to view the legacy he left behind. Thanks to Sue and Bob for setting this up.

The Pittsburgh Vintage Grand Prix was this month and the featured car was the Camaro. They had some great weather for most of the events and hopefully some of our members got out and attended some of the events. It is always a great time and interesting to see the cars involved.

The trip to the Ohio Tail of the Dragon was a lot of fun and well attended.

There was a lot of good wine that we had the opportunity to taste at the Edgewood Winery event. I know I had a lot of fun at both events. Thanks to Deb Cassel and Sue Marnell for arranging them.

Other events will be added to the website as the plans are finalized. The club will continue to keep you informed of club news and activities, as well as other non-club events that we think you might be interested in, via e-mail distribution, so watch your inboxes. August is shaping up to be a pretty busy month. There is the Corvette Show at Del-Grosso's, the trip to Woodward for the Dream Cruise, and Corvettes at Carlisle. So be sure to mark your calendars and get your cars ready to drive to these events for some

fun in the sun.

And don't forget the annual picnic on Sunday, August 13th, at Bushy Run Battlefield. Directions are in this newsletter and on the website. There should be adequate seating at the pavilion but bring your chairs in case. Don't forget about the Fall All GM Show in Latrobe on September 16th. Spread the word and come on out and help us make it a great show.

CCWP is a club that has endured through the enthusiasm and support of our members. I am thrilled to see so many of you participating by attending our membership meetings and the many events that we have planned for you. Each month we see more people coming out and signing up for our events. We also see new members joining each month. Thanks to all for your support. Any suggestions you may have to offer on how we can improve the club or suggestions for events you would be interested in please let me know. Your comments are always welcome.

Thank you!

CCWP Lap—Woodward Dream Cruise

In 2017 the CCWP Lap is planning on traveling out of state again, this time visiting Michigan for the Woodward Dream Cruise. We are planning on going up Tuesday, August 15th and staying through Saturday, leaving Sunday the 20th. About one million people attend this event each year. It's all about cars and cruising, partying with friends, people and car watching, and then more cars. There is no fee to drive in the cruise and no admission fee to watch the show, all you need is either a good place to put a chair or great walking shoes. There is information about the cruise available on the website woodwarddreamcruise.com.

There is a gentleman that organizes a number of tours and events for Corvette owners and we are going to include a number of these in the agenda. We are also looking into the possibility of touring the Ford museum while we are there.

Jan Hollabaugh was generous enough to step up and take care of our accommodations. She has reserved a block of rooms at the Somerset Inn, 2601 West Big Beaver Rd. Troy, MI 48064 for us for the dates Tuesday, August 15 through Saturday, August 19. There are 2 types of rooms. Tower rooms are on floors 3 through 14 and they have 1 Queen or 2 Double Beds and the cost is \$105 per night plus taxes (about 13.3% combined) for a total of about \$119 per night. Executive Wing rooms are on the 1st and 2nd floors and have either 1 King or 2 Queen Beds and the cost is \$130 per night plus taxes for a total of about \$148 per night.

By now all hotel reservations should have been made if you are planning on joining us. We have a list of events that have been planned for Corvette owners and a tentative schedule. We have shared that information with those who have reserved rooms. These include the GM Heritage museum, Stahl's, which houses a private collection of rare, older era cars as well as some interesting and unique accessories.

We have also decided to charge a nominal registration fee per car. Part of the fee will be for items for a 'goody bag' for each car and the rest will go to the charity that the gentleman that does all this planning supports. That charity is a local food bank. If you would like to take something else to donate I'm sure he would appreciate it. We have had all the registration forms returned to us with the fee. We will share additional information with all who have returned their registration forms.

The trip is right around the corner so we hope everyone is ready to go and have a great time!

If anyone has any questions please feel free to contact us.

Sternwheeler Festival

Pat and Dick Ulrich have another trip they have planned and have invited CCWP members to join them on their journey. This time they are going to attend the Ohio River Sternwheeler Festival in Marietta, Ohio the weekend of September 7th to 10th.

Over that weekend 30 –35 authentic sternwheeler boats line the river banks, and there are races, vendors, car shows and fireworks for all to enjoy. Please come and join us for a day or for the entire weekend. The festival activities begin Friday, September 8th at 5:00 pm and end Sunday, September 10th at 2:00 pm. There is a website for the Sternwheeler Festival 2017 where you can find more information about what is planned for the weekend. This will be our first trip to the Festival so if anyone has attended and has some information please let us know so we can share it with anyone planning to attend. As usual we are kind of flying by the seat or our pants, but it sounds like a fun time.

We were able to get a block of rooms at the Holiday Inn Express at 970 Pike St., Marietta, Ohio 45750. If you are interested there are 6 king rooms at \$162/night and 6 queen rooms at \$152/night, and you can call 740-760-1515 to make your reservations. Be sure to reference that you are booking in the CCWP block. You have until August 6th to book and then the rooms will be released.

After we had the rooms at the Holliday Inn we found out that it is much easier to get around using a shuttle and this hotel does not have one. However, there is a Microtel Hotel in Marietta that does have a shuttle and they do have rooms available, although we were not able to secure a block of rooms or a group rate at this time. The number for that hotel is 740-373-7373.

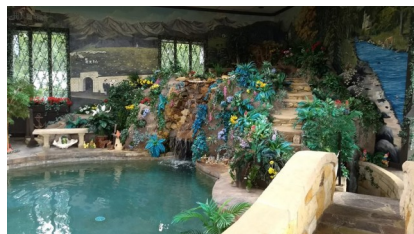

Valley Gem Sternwheeler offers river cruises all weekend, but you should call ahead to reserve a spot for any of the cruises. We do have 20 tickets on hold for a cruise on Friday, September 8th at noon for a 4.5 hour ride that includes lunch. The cost for a senior ticket for this cruise is \$45, and if you want to join us, call them at 740-373-7862 and be sure to mention you are part of the CCWP group.

Hope to see you in September if not sooner.

If you have any questions give us a call at 724-791-2354.
